## Sigma Chapter's Annual Charity Auction

March 23, 2016

*"Going once, going twice, sold to the actuary in the back with the calculator!"*

On the evening of March 16, 2016 the Sigma Chapter of Gamma Iota Sigma held its 12th Annual Charity Auction at the Draught Horse Pub in Philadelphia. Faculty, professors, alumni, and members came together on this eventful night for some friendly bidding and found themselves with some great returns on their investments. Alumni, faculty, and members volunteered to "auction" themselves and a fun activity off and donate all their proceeds to our charity of choice, Brave Hearts for Strong Minds.

The highest bidders won everything from rounds of golf and workout sessions, to tickets to a Phillies or Sixer's game, to hand drawn portraits. The Charity Auction was a huge success with over 50 members and alumni in attendance and the Sigma Chapter raising \$2,155 for Brave Hearts for Strong Minds! The Sigma Chapter would like to thank all for their contribution in helping us reach our donation goal of \$15,000!
