# Spencer Educational Foundation Scholarship Winners

Gamma Iota Sigma - Sigma Chapter

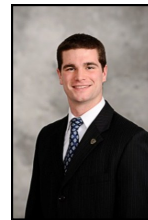

Sigma Chapter is proud to announce that fourteen of our students have been awarded several scholarships from the Spencer Educational Foundation. This is the most ever for Temple, exceeding last year's record number of ten. This is also the most of any other school according to the Spencer Foundation! The Spencer Foundation, stimulates, promotes and encourages promising undergraduates and graduates of risk management discipline in fulfilling their educational goals by providing scholarship awards and educational grants. Established in 1979 to honor the late Robert S. Spencer, the foundation is administered by its board of directors and affiliated with the Risk and Insurance Management Society Inc. (RIMS) in New York.
