

PRESS RELEASE

The Sigma Chapter's "Batman" themed table sweeps the competition at Fox's Annual SPO Fair

September 9, 2016

On Friday, September 2nd, 2016, The Fox School of Business held its Annual Student Professional Organization (SPO) Fair on Alter Hall's first floor under the ticker. An SPO is a student run organization created for each major in the Fox School, whose goal is to provide its students with additional learning and professional opportunities outside the classroom that pertain to their particular field of study. This event, held each fall at the beginning of the semester, provides a platform for all SPOs to offer information regarding their organizations and events to both new and returning Fox students, while also creating a little friendly competition, as the SPO with the best application of the fair's theme wins a cash prize.

A theme of "Super Heroes" was chosen for the event this year and with the Sigma Chapter's matching colors of Black and Gold, we knew Batman would be our hero of choice. The Sigma Chapter's iconic emblem signaled both new and returning students to learn more about its student organization. Approximately 100 students stopped by the Sigma Chapter's table to gain more information regarding upcoming events for the semester. As a chapter, we are looking forward to the new members who will be joining us this semester.

The highlight of the event was when Batman and his friends made a guest appearance. Batman, Robin, Batwoman, Catwoman, The Penguin, and The Riddler came to conquer the competition, bringing victory for the Sigma Chapter! This is the first time the Sigma Chapter has won the SPO fair and we would like to thank all of the students and superheroes who visited our table and made the event a great success!
