

PRESS RELEASE

Spring 2018 Life, Health, and Employee Benefits Graduate Actuarial Science Case Competition

April 18, 2018

On Saturday, March 24, 2018, fifteen graduate Actuarial Science students, under the instruction of Professor Tim Luedtke in the *Managing Human Capital* course participated in a case competition. The teams were asked to conduct research on employee benefits in the automotive industry. For the case competition, each team provided a written report of their findings and made a presentation to a panel of judges who were practicing actuaries and employee benefit experts. Award categories included the overall oral team presentation winners and best paper. The students who received awards for each category are as follows:

Best Paper:

Dara Klein, John Gallis, Alysia Overdorf

Best Individual Presenters:

Alysia Overdorf

Best Overall Team Presentation:

Dara Klein, John Gallis, Alysia Overdorf

Best Overall Presentation & Best Paper
