### **Spring 2019 Actuarial Science Property and Liability Case Competition**

*Monday, April 8, 2019*

On Saturday, March 30, 2019, twelve Actuarial Science majors taking the *Actuarial Practice: Property and Liability* capstone course participated in the spring semester team case competition under the instruction of Professor Randy Dumm. This semester's case competition involved 7 undergraduate teams competing for best papers and best presentations. Judging for best papers involved a separate judging panel that took place in the week leading up to the presentation competition. Students were tasked with creating an analysis of loss reserving practices for P&C insurers, including a review of Schedule P. The winners for each group are as follows:

#### **Undergraduate Best Paper:**

**1st Place: Kylie Persons**

**2nd Place:**

**Anjeleen Zoleta and Nirja Shah**

#### **Undergraduate Best Presentation:**

**1st Place: Evan Phillips and Clark Dumblauskas**

**2nd Place: Kylie Persons**

**Best Paper: 1st Place & 2nd Place  
Presentation:**  
Kylie Persons

**Best Paper: 2nd Place**  
Anjeleen Zoleta & Nirja Shah

**Best Presentation:**  
Evan Phillips & Clark Dumblauskas
