Spring 2019 Actuarial Science Managing Human Capital Case Competition

Thursday, April 11, 2019

On Saturday, March 30, 2019, graduate Actuarial Science students, under the instruction of Professor Tim Luedtke in the Managing Human Capital course participated in the spring semester case competition. Students This semester's case competition involved students competing in teams of three for best papers and best presentations. Students were tasked with developing an employee benefit proposal. Actuarial Science professionals served as judges for the competition and rated students based on their written and oral presentations. The following students received awards, which were broken down into three separate categories as follows:

Best Paper:

Masoomi Bhatt, Marissa Canady, and Prathyusha Kodavala

Best Paper
