

RISKY BUSINESS

Insurance | Risk Management | Actuarial Science

Welcome Back, Sigma Chapter!

A Letter From President, Elizabeth H. Arbegast:

Dear Members,

I hope you enjoyed your break, and I am excited to begin another semester as the president of the Sigma Chapter of Gamma Iota Sigma. Our chapter has 45 officers who are passionate about making this a wonderful and enriching semester for all of our members. I encourage you to take full advantage of all the personal and professional development opportunities offered by the Sigma Chapter.

H. Wayne Snider Distinguished Guest Lecturer Series

This speaker series gives students the opportunity to hear from high-level executives in the insurance industry. These meetings are held every Wednesday, beginning on January 31, 2018. All students are welcome to attend. Dues paid members also have the opportunity to sign up for luncheons with the speakers each week.

Committee Meetings

Committee meetings are a great way to hear from speakers in your particular area of interest! Committees include Employee Benefits, Property & Casualty, Actuarial Science, and Community Affairs. Committee sign-ups will be held at the first organizational meeting. Committee meetings will be held every-other Monday beginning on February 5, 2018.

Monday Workshops

Our workshops are offered for Actuarial Science, RMI, and Graduating students. Workshops are interactive meetings where students can work on developing important skills. These meetings will be held every-other Monday beginning on January 29, 2018. Additional workshops for RMI majors will be held on Fridays during February prior to the RMI Intern Reception.

Courses through Gamma Iota Sigma

The Sigma Chapter offers the courses BA 2101 and RMI 3682 to eligible, dues paid members. To enroll in either course, students must sign up during the first organizational meeting and attend orientation on Friday, January 26, 2018. More details about these courses can be found below.

Social Events

Gamma hosts many social events throughout the semester that give students the opportunity to network with one another in a more relaxed environment. We will kick off the semester with our Semi-Annual Gamma Games on Wednesday, February 7, 2018! Other events include karaoke nights, cultural potlucks, bake sales, community service events, our Charity Auction, Fox's Got Talent and our annual Gamma Gala.

Fraternally yours,

Elizabeth H. Arbegast

President, Gamma Iota Sigma – Sigma Chapter
Fox School of Business, Actuarial Science – 2018

Welcome Back Reception

Wednesday, January 17,
2018 12:00pm-12:50pm
MBA Commons, 7th Floor
Alter Hall

The Welcome Back Reception is an informal gathering where new students will have the opportunity to meet faculty, as well as other students majoring in Risk Management and Insurance, Actuarial Science, or Healthcare Management. Refreshments will be provided for attendees.

First Organizational Meeting

Wednesday, January 24,
2018 12:00pm-12:50pm
Alter Hall 031

Please join us on Wednesday, January 24, 2018 for the first Gamma Iota Sigma organizational meeting of the Spring 2018 semester! Attendance is highly recommended as we will be discussing important information about the many exciting events and opportunities happening this semester. We look forward to seeing you there!

Attention Members! Don't forget to download the **Suitable App** from the App Store to scan the QR Codes at our weekly meetings. Simply download the App from the App Store, enter your TU UserID and create a password. Then, at the end of each meeting scan the QR code! This is *very* important for future room bookings, so we ask that **ALL** members download **Suitable!**

Courses through Gamma: BA 2101 & RMI 3682

BA 2101 -

All undergraduate students in the Fox School of Business and Management are required to take the one-credit hour course, BA 2101– Professional Development Strategies. Both Actuarial Science and RMI majors have the option to enroll in a special, GIS-administered section of BA 2101 to fulfill this requirement. To complete BA 2101 through GIS, students must:

- Be a dues paid member of Gamma Iota Sigma for the current academic year.
- Attend the H. Wayne Snider Distinguished Guest Lecturer Series each Wednesday from 12:00pm to 12:50pm and complete a Critical Listening Sheet.
- Join a committee within GIS and attend meetings held every other Monday from 12:00pm to 12:50pm.
- Meet the requirements to be included in the GIS Resume Book.
- Attend a “Getting Started” Workshop with CSPD or provide proof that you are CSPD certified.

RMI 3682 -

GIS offers another one-credit hour independent study course in professional development. Actuarial Science or RMI majors who have completed BA 2101 (either through GIS or Fox) are eligible to enroll in this course. To complete RMI 3682, students must:

- Be a dues paid member of Gamma Iota Sigma for the current academic year.
- Attend the H. Wayne Snider Distinguished Guest Lecturer Series each Wednesday from 12:00pm to 12:50pm and complete a Critical Listening Sheet.
- Participate in one GIS community service event during the semester

To enroll in either course, students must sign up during the first organizational meeting AND attend orientation for BA 2101/RMI 3682. The course syllabus will be distributed and there will be a contract that must be signed.
