Farewell Class of 2018!

Dear Members,

Hopefully you had a wonderful academic year and enjoyed all the opportunities the Sigma Chapter had to offer! Thank you to the incredible members, dedicated officers, outstanding faculty, and remarkable administrative support. I appreciate all of the contributions you made to the Sigma Chapter. During this past academic year we held many amazing events that continue to encourage personal and professional development. Thank you all for attending meetings,

workshops, career receptions, social events, and

community service activities. Together we created a fantastic year filled with endless memories for us to cherish in the future.

Congratulations to our graduating seniors! I wish you the best as you begin your careers. I hope you look back fondly at your time spent with the Sigma Chapter. I am confident that our Class of 2018 will have a bright, successful future as we make positive contributions to our professional industry and the world around us. After graduation, please be involved alumni and help contribute to the success of our organization. We encourage our alumni to participate in the Alumni Student Mentorship Program, Annual Golf Outing, Temple Football Tailgates, Temple Basketball Games, Happy Hours, and other activities.

As graduation approaches quickly, it is nice to reflect on the many extraordinary achievements of all of our members, especially the graduating seniors. Congratulations on passing professional exams, networking, gaining internships, making friendships with fellow members, and obtaining full-time jobs!

I have deeply treasured the time I spent with the Sigma Chapter. I will forever be grateful for this wonderful honor to serve as your President. I look forward to keeping in touch as we enter another new and exciting chapter of our lives!

Fraternally yours,
