2018- 2019 Charity of Choice Announcement

The Sigma Chapter of Gamma Iota Sigma is proud to announce our Charity of Choice for the 2018-2019 school year! **Gift of Life Family House** provides affordable lodging, meals, and services for transplant patients and their families who have traveled to the Philadelphia region to receive medical care. The Sigma Chapter supports the Adopt-a-Family Program, which seeks to cover the \$40 cost per night charged to families, ensuring that no family is turned away due to an inability to pay. This charity was selected to honor the memories of Kevin Kless (Class of 2010) and Eric Smith (Class of 2011), two Sigma Chapter alumni who passed away and donated their organs to save the lives of others. Members can help us reach our **\$15,000** goal by participating in charity raffles at Wednesday Meetings, Friday bake sales, and many other fundraising efforts!

H. WAYNE SNIDER DISTINGUISHED GUEST LECTURER SERIES

**Payal Patel (Class of 2010)
Vice President of E&O & Cyber Center of Excellence
Marsh**

Wednesday, September 12, 2018, 12:00PM-12:50PM, Alter Hall 031

Payal Patel is a placement specialist with Marsh's Professional Liability and Network Security and Privacy Practice in New York, New York. She focuses her work on large, complex accounts in the cyber, media and professional coverage arenas. Payal's current responsibilities include conducting exposure analysis for clients and prospects, as well as negotiating with carriers on terms and conditions. Through this experience she has a broad view of the exposures and challenges clients face and also of the availability of coverages in today's marketplace.

Payal joined Marsh in August 2015. Prior to that, she spent approximately five years with a large national broker where she worked as a cyber and professional liability broker and also as an account specialist. Payal helped new and existing clients understand their cyber exposure, provided market insights and placed E&O and cyber coverage for clients greater than \$500 MM in revenue. As an account specialist, Payal also was involved in large international placements, managed client relationships and brokered property & casualty lines. She graduated from Temple University with a Bachelor's Degree in Marketing and Risk Management & Insurance in 2010.
