H. WAYNE SNIDER DISTINGUISHED GUEST LECTURER SERIES

Wednesday, September 26, 2018, 12:00PM-12:50PM, Alter Hall 031

Jonathan Leather, CPCU, ARM (Class of 2010) Regional Leader - Americas, Insurance Risk Management BP Treasury

Jonathan started his career with Marsh's Analyst development program in Houston after an internship in their New Orleans office. In 2012, he joined Exxon Mobil Corporation where he was responsible for new country entry, OCIP, Infineum, Latin America, and Middle East. Last year, Jonathan joined BP as the Risk Manager for Alternative Energy, Latin America, Retail, and U.S. Refining, Chemicals, and Lubricants. In addition to managing insurance activity, Jonathan has led a variety of strategic initiatives, including technology replacement projects, implementation of a Risk Engineering program, and developing principles of contractual risk distribution

Chris Mulvey, ARM (Class of 2007) Senior Vice President Aon Risk Services Southwest

Chris started with Aon in July of 2006 as a summer intern. Upon graduation, Chris began his career as an Account Specialist in the Corporate Risk Solutions group, working on large multinational corporations and middle market accounts. In 2010, Chris was promoted to Account Executive and began managing his own accounts.

Chris is an Account Executive and currently responsible for coordinating global insurance programs in Australia, Asia, Europe, Latin America, and North America for several multinational accounts. In addition to his global expertise, Chris specializes in managing complex risk management programs. Chris works with fortune 2,500 firms, both domestically and overseas, utilizing his extensive experience in the design, structure and placement of global insurance. Additionally, Chris has experience in creating and developing non-traditional risk funding alternatives.
