

# RISKY BUSINESS

Risk Management | Insurance | Actuarial Science

## Welcome Back Reception

Friday, January 18,  
2019  
12:00PM-12:50PM  
MBA Commons

Join us for our first event of the Spring 2019 semester! The Welcome Back Reception is an informal gathering, which provides a great opportunity to meet fellow Actuarial Science and Risk Management and Insurance majors and faculty. Refreshments will be provided.

## First Organizational Meeting

Wednesday, January  
23, 2019  
12:00PM-12:50PM  
Alter Hall 031

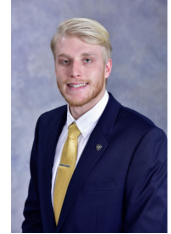

Please join us on Wednesday, January 23, 2019 for the first Gamma Iota Sigma Organizational Meeting of the Spring 2019 semester! Attendance is highly recommended as we will be discussing important information about the many events happening this coming semester.

## Welcome Back, Sigma Chapter!

### A Letter from President Kyle Betley:

Dear Members,

I hope you all enjoyed your break, and I am excited to begin my second and final semester as the President of the Sigma Chapter. Our chapter has 47 officers who have been working hard to plan an enriching and engaging semester for all of our members. I encourage you to take full advantage of all the personal and professional development opportunities offered.

### H. Wayne Snider Distinguished Guest Lecturer Series

Last semester was our most successful speaker series to date, highlighting exclusively young alumni. The speaker series this semester features a joint presentation by the CFO of the Eagles and a Partner of Arthur J. Gallagher and a presentation by Ivory Ella Founder Rich Henne. These meetings are held every Wednesday, beginning on January 30, 2019.

### Committee Meetings

Committee meetings are a great way to hear from speakers in your particular area of interest! Committees include Employee Benefits, Property & Casualty, Actuarial Science, Community Affairs, and a brand new Health Care Committee. Committee sign-ups will be held at the first meeting. Committee meetings will be held every-other Monday beginning on January 28, 2019.

### Monday Workshops

Our workshops are offered for Actuarial Science, RMI, and Graduating students. Workshops are interactive meetings where students can work on developing important skills. These meetings will be held every-other Monday and some Fridays, beginning on Friday, February 1, 2019.

### Courses through Gamma Iota Sigma

The Sigma Chapter offers the courses BA 2101 and RMI 3682 to eligible, dues paid members. To enroll in either course, students must sign up during the first meeting and attend orientation on Friday, January 25, 2019.

### Social Events

Gamma hosts many social events throughout the semester that give students the opportunity to network with one another in a more relaxed environment. We will kick off the semester with our Semi-Annual Gamma Games on Wednesday, February 6, 2019! Other events include cultural potlucks, karaoke nights, bake sales, community service events, our Charity Auction, the brand new FOXhole Tournament and our annual Gamma Gala.

### Mentoring Opportunities

Gamma has several mentoring opportunities, including an Alumni Student Mentorship Program and Peer to Peer Mentorship Program. Look for emails from the Career Development team for the Peer to Peer Mentorship Program and from the Alumni Affairs Team for the Alumni Student Mentorship Program.

I look forward to a successful final semester with the Sigma Chapter and hope you can all learn and grow throughout our variety of events.

Fraternally yours,

Kyle Betley

President, Gamma Iota Sigma - Sigma Chapter

Fox School of Business, Actuarial Science, Class of 2019

## Courses through Gamma: BA 2101 & RMI 3682

### ***BA 2101***

All undergraduate students in the Fox School of Business and Management are required to take the one-credit hour course, BA 2101- Professional Development Strategies. Both Actuarial Science and RMI majors have the option to enroll in a special, GIS-administered section of BA 2101 to fulfill this requirement. To complete BA 2101 through GIS, students must:

- Be a dues paid member of Gamma Iota Sigma for the current academic year.
- Attend the H. Wayne Snider Distinguished Guest Lecturer Series each Wednesday from 12:00pm to 12:50pm and complete a Critical Listening Sheet.
- Join a committee within GIS and attend meetings held every other Monday from 12:00pm to 12:50pm.
- Meet the requirements to be included in the GIS Resume Book.
- Attend a "Getting Started" Workshop with CSPD or provide proof that you are CSPD certified.

### ***RMI 3682***

GIS offers another one-credit hour independent study course in professional development. Actuarial Science or RMI majors who have completed BA 2101 (either through GIS or Fox) are eligible to enroll in this course. To complete RMI 3682, students must:

- Be a dues paid member of Gamma Iota Sigma for the current academic year.
- Attend the H. Wayne Snider Distinguished Guest Lecturer Series each Wednesday from 12:00pm to 12:50pm and complete a Critical Listening Sheet.
- Participate in one GIS community service event during the semester

***To enroll in either course, students must sign up during the first organizational meeting AND attend orientation for BA 2101/RMI 3682. The course syllabus will be distributed at this orientation, and there will be a contract that must be signed.***
