H. WAYNE SNIDER DISTINGUISHED GUEST LECTURER SERIES

Amy Sestito, FCAS, MAAA
Regional Director & Actuary
Aon

Wednesday, February 27, 2019, 12:00PM-12:50PM, Alter Hall 031

Amy graduated from Illinois Wesleyan University with a Bachelor of Arts in both mathematics and risk management. She is a fellow of the Casualty Actuarial Society, and a member of the American Academy of Actuaries. She began her career at CIGNA Property and Casualty as an Actuarial Assistant, then moved to ACE INA as an Associate Actuary before becoming the regional directory and an actuary at Aon.

At Aon Risk Consultants, where she has worked since 2003, Amy manages the staff and profitability of the Northeast Region of the U.S. Actuarial & Analytics Practice. In addition, she manages various actuarial projects, provides feasibility studies for various self-insurance programs and captive insurance companies. She also develops and maintains computer models for actuarial projects and allocation models for clients. Another part of her role consists of providing peer review to ensure adherence to applicable standards of practice. Through her work she has developed many special areas of expertise that include accrual analysis, loss forecasting, retention analysis, and allocation models. Additionally, she works extensively with professional, product, general and auto liability, as well as workers compensation.
