A message from President Kyle Betley: Farewell Spring of 2019!

Dear Members,

It has been an honor and a privilege to serve as your President this year. I have loved getting to know so many of you and make meaningful connections I never would have had without this opportunity. I am lucky to be able to call so many of you my good friends. Nothing has made me happier than seeing all of you grow and develop professionally and personally, it has been the greatest opportunity to expose you all to everything that Gamma has to offer, and I hope that you all have gotten as much out of Gamma as you possibly could this year. Thank you to the incredible members, dedicated officers, outstanding faculty, and remarkable administrative support. I appreciate all of the contributions you made to the Sigma Chapter. Nothing has brought me more joy than hearing all of your positive comments about myself, the officers, the events we ran this year, and the Chapter as a whole; that is what has made this all worthwhile! Thank you all for attending meetings, workshops, career receptions, social events, and community service activities. Together we created a fantastic year filled with endless memories for us to cherish in the future.

Congratulations to our graduating students! I wish you the best as you begin your careers. I hope you look back fondly at your time spent with the Sigma Chapter. I am confident that our Class of 2019 will have a bright, successful future as we make positive contributions to our professional industry and the world around us. After graduation, please be involved alumni and help contribute to the success of our organization, as it will continue to benefit all of you and the program going forward. Remember the times you had here within the program and with Gamma, and the impact many of the involved alumni might have had on you - it is now your time to have the opportunity to do the same.

As graduation approaches quickly, it is nice to reflect on the many extraordinary achievements of all of our members, especially the graduating students. Congratulations on passing professional exams, networking, gaining internships, making friendships with fellow members, and obtaining full-time jobs!

I have deeply treasured the time I spent with the Sigma Chapter. I will forever be grateful for this wonderful honor to serve as your President. I look forward to keeping in touch, and please do keep in touch, as we enter another new and exciting chapter of our lives! Good luck to all you graduating students, I know you will do amazing things, and to the returning members, I wish you an incredible remaining time within the program, and I hope you continue to support the Sigma Chapter along with Varun and Dan, you are in incredible hands next year!

Fraternally yours,
Kyle Betley

H. WAYNE SNIDER DISTINGUISHED GUEST LECTURER SERIES

Rich Henne (Class of 2015)
Co-Founder and Chief Risk Officer
Ivory Ella

Wednesday, April 24, 2019, 12:00PM-12:50PM, Alter Hall 031

Richard graduated from Temple University's Risk Management and MIS programs in January 2016. The previous year he founded Ivory Ella, a for profit apparel ecommerce brand that raises money to help battle the elephant crisis. He lived in Rhode Island and Connecticut for the past three years while recently moving his team's headquarters to New York. He is an expert in digital advertising, brand positioning, and leverages his risk mitigation knowledge to keep his business operational. Richard has experience in managing large teams, contract negotiations, establishing insurance and benefit programs, capital raises, and conservation work.

In more recent years Richard has gone on to create TM38, a digital marketing service agency and Soothe, a health and wellness brand. He remains very active in Philadelphia, traveling back to the city monthly to visit Soothe's operations in Fishtown. In addition, Richard has hired interns and employees from Temple's network and plans to continue growing his businesses while giving back to his community.

Please Note: This is a special Wednesday Meeting where we will present our Charity of Choice, Gift of Life Family House, with our donation check! Don't miss this special meeting!
