## Congratulations, Fall 2012 Graduating Seniors!

### Graduating Senior Send Off - Kevin Severson, President

On behalf of all of the officers and members of the Sigma Chapter is it my pleasure to congratulate you on the completion of your tenure here at Temple University. I trust it has been a challenging yet rewarding experience.

I would personally like to thank you for your participation in our chapter of Gamma Iota Sigma. Each year the Sigma Chapter grows its membership and produces more top level students and offers more top level experiences. Without this growing membership we would be unable to enjoy these opportunities that help better prepare us for the industry and post-graduate life.

I wish you the best of luck personally and professionally. I sincerely hope you can look back on your time as a Sigma Chapter member with warm memories and stay actively involved as alumni. The support of our alumni is of paramount importance to the continued success of the Sigma Chapter, allowing us to grant a seemingly endless amount of opportunities to its members. As alumni, I hope you take advantage of your ability to give future students the same opportunities we have been afforded. I hope you share your inevitable success to better the future of our program.

Sincerely,

Kevin Severson, President

**Thanks For Reading!**

Tim Cornish

Bryan and Tim in your Gamma Iota Sigma Communications Team would like to thank all members, faculty, and administrators for their patronage to Risky Business. We take great pride in the service we provide to the Sigma Chapter and hope that you have found Risky Business to be entertaining as well as informative.

We would have nothing to report on from week to week without Sigma Chapter's members' dedicated involvement in events, activities, and workshops. For that reason, this letter is not only a "thanks for reading", this is a "thanks for giving us so many great things to write about" letter.

We look forward to the future achievements Sigma Chapter and its members will earn that we will have the pleasure of displaying.

Sincerely,

Bryan Ernst & Tim Cornish
