Wednesday, March 14, 2012

Alter Hall - 12-12:50PM

Ed O'Malley, RHU, CLU Practice Leader - Gallagher Benefit Services

Ed O'Malley has over 30 years of experience in the employee benefit and risk management field. Ed serves as Philadelphia Metro Region Practice Leader for Gallagher Benefit Services (GBS), a division of Arthur J. Gallagher & Co. His current responsibilities include thought leadership, business development and account management for a number of the specialty practice Niches at GBS. Ed has helped hundreds of employers create a sustainable benefits and compensation program through strategic investments in employee health and increased employee engagement and proactive solutions. His clients include public and private firms with special emphasis on government entities, religious and non-profit organizations as well as healthcare and technology companies. Ed was formerly with Marsh and McLennan Agency as a Senior managing consultant and served as a Senior Vice President and Chief Marketing Officer at Commerce Insurance Services for nearly twenty years.

Ed has served in many appointed and elected positions and currently serves on the board of directors of the Greater Philadelphia Chapter of Certified Employee Benefit Specialists and serves on the membership committee of PEBA. Ed is a member of the Council of Insurance Agents and Brokers and the National Association of Health Underwriters. He also is Chairman of the Governor's Office of Volunteerism for the State of New Jersey. A tireless advocate for the disabled and children, Ed has served as President of Cerebral Palsy of NJ and Chairman of the Southern New Jersey March of Dimes. He founded The Evesham Education Foundation and currently serves as chairman of the Lenape Regional Foundation. Ed chaired the 2011 /2012 United Way Campaign and has served his local community for many years as Fire Commissioner of Evesham Fire Rescue. He was recently the recipient of the United Way of Burlington County Volunteer of the Year Award for his efforts in raising over \$2 million dollars for numerous agencies in the region. Ed and his wife Barbara have six children (two of whom are Fox School Grads) and one grandchild, and reside in Marlton NJ.

**Twenty-First Annual
Gamma Gala**

Friday, March 30, 2012
6:00-10:00PM
Crowne Plaza Hotel

RSVP by March 23, 2012

The semi-formal dinner will be held at the Crowne Plaza Hotel in Center City, Philadelphia. Sigma Chapter will host an alumni keynote speaker during the event. Dinner will be served, awards to outstanding members and a faculty member will be given out, and new members to Sigma Chapter will be initiated. Following the festivities will be a dessert buffet accompanied by music played by a jazz quartet.

RSVP by completing the RSVP form and returning it to Gamma Iota Sigma in Alter Hall 601c. To obtain a form, come to GIS in Alter Hall 601c. If you any have questions, please contact Jennifer.Vargas@temple.edu

RMI - Friday Workshop Professional Designations Friday, March 16, 2012 12:00-12:50PM Speakman 112

The American Institute of Chartered Property Casualty Underwriters (AICPCU) grants numerous designations to both professionals and students who take and pass a series of exams provided by the institute. Taking any of the CPCU or related exams is strongly encouraged for Risk Management majors focusing on Property & Liability.

The Certified Employee Benefits Specialist designation is granted jointly by the International Foundation of Employee Benefit Plans and the Wharton School of the University of Pennsylvania to individuals who complete eight college level courses and examinations in the areas of design and operation of employee benefit plans and who pledge to a code of ethical standards and continuing education.

In this workshop, you will navigate the road to obtaining these designations, as well as what steps you can be taking now, while you're in school.

AS - Friday Workshop Excel Skills Friday, March 15 2012 12:00-12:50PM Speakman 113

Excel is an integral part of an actuary's day-to-day work. The "Excel Skills" workshop will introduce functions of Excel that will lessen the learning curve for actuarial students once on the job. Students will be also be exposed to ways in which they can continue to build their knowledge base in the program.
