His practice involved all aspects of life and health insurance including insurance industry mergers and acquisitions, product pricing and financial statement preparation. He served as a member of Milliman's Board of Directors from May 1996 to May 1999. In May 2000 he was elected to the position of Chairman of Milliman, and continues to serve in that capacity.

Before joining Milliman, Brad was vice president and chief actuary at JCPenney Life Insurance Company where he was heavily involved in direct response marketing analysis, list segmentation, product development and corporate planning.
