Risky Business

VOLUME XXX, ISSUE XI

APRIL 15, 2013

The H. Wayne Snider Distinguished Guest Lecturer Series presents:

Jennifer DuToit

**Consulting Actuary Healthcare Analytics
Gallagher Benefit Services**

Wednesday, April 17, 2013, Alter Hall 031 - 12-12:50PM

Jennifer is a consulting actuary with Gallagher Healthcare Analytics, a division of Gallagher Benefit Services, Inc. She has over 17 years of experience working with large employers on their employee benefit programs.

Prior to joining Gallagher Healthcare Analytics, Jennifer worked with HighRoads, a software solution used by a number of Fortune 500 employers to automate the benefits management lifecycle. The technical solutions knowledge Jennifer gained at HighRoads coupled with the broad health and welfare experience from her prior positions at Watson Wyatt and BCBS of Texas are well suited for her current role with Gallagher Healthcare Analytics.

At Gallagher Healthcare Analytics, Jennifer helps clients determine their plan costs as well as the factors driving their plan costs – administrative leakage, sub-optimal plan utilization or pricing, emerging conditions, etc. She also works with clients on more traditional health and welfare tasks such as benefits strategy, budgeting, rate setting, reserving, etc.

Jennifer's prior experience includes positions such as Senior Director of Professional Services at HighRoads Inc., Consulting Actuary at Watson Wyatt Worldwide and Actuarial and Financial Analyst at Blue Cross Blue Shield of Texas. She earned a B.A. in Mathematics with a concentration in Actuarial Science from the University of Texas and is a Member of the American Academy of Actuaries (MAAA) and an Associate of the Society of Actuaries (ASA).

8th Annual Beef 'N' Beverage

Saturday, April 20, 2013 - 4-8PM - Field House, 1150 Filbert St

Join us this Saturday at the Field House for the Gamma Iota Sigma social Beef 'N' Beverage fundraising event. New and returning members, alumni and faculty will be in attendance to enjoy each other's company, all-you-can-eat appetizers, and gift basket raffles all for the sake of charity! Tickets can be purchased ahead of time in the Gamma office, Alter 601C, for \$20 with check or money order or purchased at the door for \$25. Come out to support the Sigma Chapter's 2012-2013 Charity of Choice, ESF Dream Camp!

BA 2101 Workshop

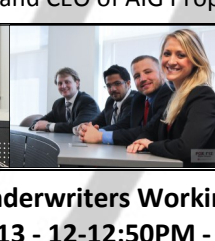

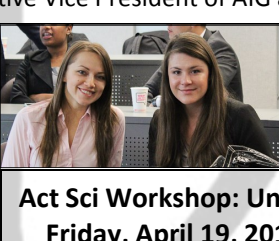

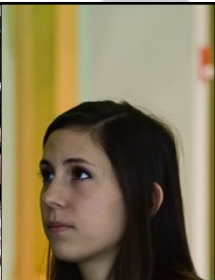

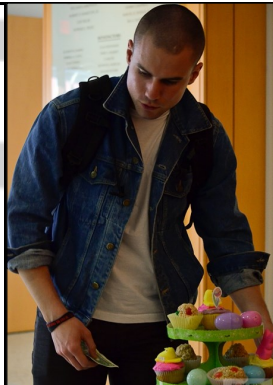

Saturday, April 20, 2013 - 9am-12pm, Alter Hall 234

This Workshop truly bridges the gap between the information provided by Gamma Iota Sigma professional development workshops and what is learned when completing BA 2101 through the Fox School of Business. Dasha Boguslavskaya from the Center for Student Professional Development will instruct members how to utilize FoxNet and other resources that Fox School of Business provides for its students. This is the only opportunity to complete this mandatory requirement for members enrolled in BA2101 through Gamma Iota Sigma. Sign up via emailed doodle link.

RMI Workshop: Benefits Brokerage Discussion

Friday, April 19, 2013 - 12-12:50PM - Speakman 112

The Benefits Brokerage Discussion will feature a speaker from Gallagher Benefits Services and will provide students with an in-depth look into the benefits brokerage industry. The speaker will discuss numerous current trends and developments in employee benefits, such as health reform, and will also spend some time discussing his specialization in stop-loss coverage.

Awards for Excellence Dinner

Wednesday, April 17, 2013 - 6-9pm - The Bellevue at The Hyatt, 200 S Broad St.

This coming Wednesday, April 17, 2013, the Sigma Chapter of Gamma Iota Sigma will celebrate our tradition of outstanding excellence. To mark the twenty five year milestone, we will be transforming our traditional annual luncheon into an Awards for Excellence Dinner. The keynote speaker for the event will be Peter Hancock, Executive Vice President of AIG and CEO of AIG Property Casualty.

Act Sci Workshop: Underwriters Working with Actuaries

Friday, April 19, 2013 - 12-12:50PM - Speakman 114

At this workshop, Dr. Norm Baglini and Prof. Mike Zuckerman will discuss how actuaries interact with underwriters during their careers. Often times, Actuarial Science students do not understand how they interact with the functions of risk management and insurance. This workshop will help to bridge that divide.

5th Semi-Annual Cultural Pot Luck

Tuesday, April 16, 2013 - 5-7pm - Samsung Room

Join us this Tuesday to get a taste of the different cultures that represent the Sigma Chapter of Gamma Iota Sigma! All attendees are encouraged to bring a dish that is representative of their cultural background or to come try a variety of different foods. Those who prepare a dish attend free of charge and will be asked to describe what they made and its cultural significance. Those attending without bringing a dish are asked to donate \$3 to our Charity of Choice, ESF Dream Camp.

RBD Warning: Sudoku is not intended to treat, cure or reduce in-class boredom. Please see your professor for side-effects of in-class use.
