The H. Wayne Snider Distinguished Guest Lecturer Series presents:

Mike Archer '79

Senior Consultant and Leader
Client Solutions Group, Retirement Practice
Towers Watson

Wednesday, October 29, 2014, 12 PM-12:50 PM, Alter Hall 031

Michael (Mike) Archer is the leader of the Client Solutions Group for Towers Watson's North American retirement practice. Mike has 35 years of experience in actuarial consulting services, the last 25 with Towers Watson. He was the recipient of the 2014 Bonnie Averbach Distinguished Alumni Award in Actuarial Science.

Mike's background is primarily in retirement and other benefit consulting including actuarial valuations, retirement risk management, asset/liability studies, retirement and benefit strategy, executive retirement benefits, retiree medical benefit design, acquisitions and divestitures, merger integration and union

negotiations. He has provided actuarial consulting services to several of Towers Watson's largest clients. Mike has been at the forefront of developments in the pension liability transfer space, including large scale lump sum programs to retired and terminated vested participants. He is often asked to participate as a guest consultant on projects with Towers Watson's largest U.S. clients.

Mike earned a B.B.A. degree with highest honors in Actuarial Science from Temple University. He is a Fellow of the Society of Actuaries and an Enrolled Actuary. He has been published in a book on ERISA law, is frequently quoted in the media, and has lectured on actuarial matters in various forums. He recently served a three year term on the Society of Actuaries Pension Section Council.

He has previously served as the leader of Intellectual Capital Development for Towers Watson's North American Retirement Practice, Chief Actuary of Towers Perrin prior to its merger with Towers Watson, Senior Actuary of the Towers Perrin Philadelphia and New York offices and Retirement Practice leader of the Towers Perrin's Parsippany office.

Actuarial Science Workshop:

How to Prepare for the Actuarial Science Intern Reception

Friday, October 31, 2014, 12 PM-12:50 PM

Alter Hall 031

This is a **MANDATORY** workshop for anyone who plans to attend the Actuarial Science Intern Reception. Faculty members will provide important information about the upcoming reception and the interview process on and off campus.

Send feedback regarding Risky Business to kate.michel@temple.edu

Intern Interview Skills Workshops

These workshops are now open for RMI Intern candidates. Actuarial Science Intern candidates and students enrolled in BA 2101 may still continue to complete their requirements.

- Tuesday, October 28, 2014, from 3:30 PM–6:30 PM
- Wednesday, October 29, 2014, from 3:00 PM–6:00 PM
- Saturday, November 1, 2014, from 11:00 AM–2:00 PM

Sign up in the Gamma Office-Alter 601C.

"Halloween/Zombie" Charity Bake Sale

Friday, October 31, 2014, 9 AM–3 PM, Alter Hall Lobby

Make sure to stop by Gamma Iota Sigma's charity bake sale for a tasty baked good! The theme will be "Halloween/Zombie" and all proceeds go to our 2014-2015 Charity of Choice, Brave Hearts for Strong Minds!

RMI Workshop:

Coverage Analysis with Randy Maniloff

Friday, October 31, 2014, 12 PM–12:50 PM

Speakman 112

Liability insurance is a key aspect of risk management for America's businesses. Sometimes disputes arise whether coverage exists for a particular claim. This workshop, run by Randy J. Maniloff, an attorney at White and Williams, LLP in Philadelphia and a stand-up comedian, will discuss some of the most frequently arising and important coverage issues under general and professional liability insurance policies.

Please visit Randy's website, www.coverageopinions.info, for more information about him.

Community Affairs Event:

Gift of Life Family House Breakfast

Saturday, November 1, 2014, 8:30 AM–10:30 AM

401 Callowhill Street, Philadelphia

The Gift of Life Family House provides a "home away from home" for transplant patients and their families. We will be participating in a Home Cook Hero's breakfast, preparing a buffet style breakfast for families and patients currently staying at the Gift of Life Family House. The Home Cook Heroes program provides a much-needed support service to families who often don't have the time, resources or energy to prepare a healthy, home-cooked meal. Come out and join us for this heartwarming event!

This event is limited to 10 participants and is the last community service event of the semester. Sign up on the doodle link sent out by the Community Affairs team.
