Insurance | Risk Management | Actuarial Science

Welcome Back, Sigma Chapter!

A Letter From President, Elizabeth H. Arbegast:

Dear Members,

I am honored to be the president of the Sigma Chapter of Gamma Iota Sigma for the 2017-2018 Academic Year. Our chapter has 41 officers who are passionate about making this a wonderful and enriching semester for all of our members. I encourage you to take full advantage of all the personal and professional development opportunities offered by the Sigma Chapter.

In particular, I hope to see you at the H. Wayne Snider Distinguished Guest Lecturer Series on Wednesdays throughout the semester. Each week we will host a senior executive from the risk management, insurance, and actuarial science industry to share with us their career experiences and discuss exciting topics in the industry.

I look forward to meeting the new incoming students and reuniting with returning Sigma Chapter members. Please contact me if you have any questions or would like to talk more about all the remarkable opportunities Gamma Iota Sigma has to offer. I encourage you to become passionately involved in Gamma Iota Sigma in order to help develop the skills and network you will need for a successful, sustainable career.

I hope you enjoy all the exciting Gamma Iota Sigma events we have planned for this semester!

Fraternally yours,

Elizabeth H. Arbegast

President, Gamma Iota Sigma – Sigma Chapter
Fox School of Business, Actuarial Science – 2018

Welcome Back Reception

Friday, September 1, 2017
12:00pm-12:50pm
MBA Commons, 7th Floor Alter Hall

The Welcome Back Reception is an informal gathering where new students will have the opportunity to meet faculty, as well as other students majoring in Risk Management and Insurance, Actuarial Science, or Healthcare Management. Refreshments will be provided for attendees.

First Organizational Meeting

Wednesday, September 6, 2017
12:00pm-12:50pm
Alter Hall 031

Please join us on Wednesday, September 6, 2017 for the first Gamma Iota Sigma organizational meeting of the Fall 2017 semester! Attendance is highly recommended as we will be discussing important information about the many exciting events and opportunities happening this semester. We look forward to seeing you there!

Attention Actuarial Science Majors! Interested in attending the Actuarial Science Career Reception? The reception is quickly approaching, and in order to attend, students must complete the Road to the Resume Book. To begin the process, please visit the Gamma office in Alter Hall 601c to pay your membership dues and sign up for an Interview Skills Workshop!

Courses through Gamma: BA 2101 & RMI 3682

BA 2101 -

All undergraduate students in the Fox School of Business and Management are required to take the one-credit hour course, BA 2101– Professional Development Strategies. Both Actuarial Science and RMI majors have the option to enroll in a special, GIS-administered section of BA 2101 to fulfill this requirement. To complete BA 2101 through GIS, students must:

- Be a dues paid member of Gamma Iota Sigma for the current academic year.
- Attend the H. Wayne Snider Distinguished Guest Lecturer Series each Wednesday from 12:00pm to 12:50pm and complete a Critical Listening Sheet.
- Join a committee within GIS and attend meetings held every other Monday from 12:00pm to 12:50pm.
- Meet the requirements to be included in the GIS Resume Book.
- Attend a “Getting Started” Workshop with CSPD or provide proof that you are CSPD certified.

RMI 3682 -

GIS offers another one-credit hour independent study course in professional development. Actuarial Science or RMI majors who have completed BA 2101 (either through GIS or Fox) are eligible to enroll in this course. To complete RMI 3682, students must:

- Be a dues paid member of Gamma Iota Sigma for the current academic year.
- Attend the H. Wayne Snider Distinguished Guest Lecturer Series each Wednesday from 12:00pm to 12:50pm and complete a Critical Listening Sheet.
- Participate in one GIS community service event during the semester

To enroll in either course, students must sign up during the first organizational meeting AND attend orientation for BA 2101/RMI 3682. The course syllabus will be distributed at this orientation, and there will be a contract that must be signed.
