Charity of Choice: Michael's Giving H.A.N.D.

The Sigma Chapter of Gamma Iota Sigma is proud to announce our 2017-2018 **Charity of Choice**, Michael's Giving H.A.N.D., with a charity goal of \$15,000. Michael's Giving H.A.N.D. is focused on helping teens, parents, counselors, coaches and teachers identify and manage anxiety disorders and depression. They are committed to sparing others the unbearable pain and feeling of loss. They partner with psychiatrists and educators, including Temple University Health Systems, to recognize and treat anxiety and depression in teens. The TUH presents to high school facilities, students and parents about anxiety, depression, substance abuse and bullying. These issues can happen to anyone, and Michael's Giving HAND is bringing hope. They need our support to help bring anxiety and depression out of the shadows. Help us reach our goal to spread awareness of these mental health issues! You can support our Charity of Choice by participating in our weekly raffle, bake sales, talent show and charity auction!
