## **RMI Workshop: Risk Management at Temple University**

Friday, October 27, 2017

12:00pm-12:50pm

Alter Hall 034

Lisa Zimmaro, Temple University's Risk Manager, will present about risks that exist on our campus. Come ready to learn about how our school tackles risk, including what risk controls are used. It will be interesting to see how risk management techniques that we learn in classes are applied at our very own school. She will focus the majority of her presentation on claims, and she will share stories about the claims she has handled, especially in connection with medical malpractice. Students will have the opportunity to learn about claims as a career path.

## **Graduating Student Workshop: How to Evaluate a Job Offer**

Friday, October 27, 2017

12:00pm-12:50pm

Alter Hall 606

Lindsay Teich, Associate Director and Adjunct Instructor of Professional Development at Temple University, will be presenting on the ins and outs of evaluating a job offer. She will discuss the important elements of making this important decision. This workshop will be particularly valuable for all graduating students, both RMI and Actuarial Science, who have attended our career receptions and will be interviewing for full-time positions.

### **THE BONNIE AVERBACH DISTINGUISHED GUEST LECTURER**

**CHRISTINE HOFBECK, FSA, MAAA**

**FRIDAY, OCTOBER 27, 2017, 12:00PM-12:50PM, ALTER HALL 031**

Christine specializes in building predictive analytics and advanced pricing capabilities for large global insurers. Her work in this space has been featured in publications including *The Actuary*, *Sync Magazine*, and National Geographic's documentary television series *Breakthrough*.

Christine began her career as an employee benefits retirement consulting actuary and also spent several years in the P&C space optimizing automobile and homeowners pricing models using predictive analytics techniques and new sources of data. She holds degrees from both the University of Pennsylvania and MIT, and currently serves on the SOA Executive Board of Directors and Predictive Analytics Advisory Group.

She is also competing this season on *Survivor: Heroes v Healers v Hustlers* (Wednesdays on CBS)!

# THE H. WAYNE SNIDER DISTINGUISHED GUEST LECTURER SERIES

**KATHY ANTONELLO**

**CHIEF ACTUARY**

**NATIONAL COUNCIL ON COMPENSATION INSURANCE**

**WEDNESDAY, OCTOBER 25, 2017, 12:00PM-12:50PM, ALTER HALL 031**

Kathy Antonello is the Chief Actuary of NCCI and leads the Actuarial and Economic Services division. Her division contributes to maintaining a healthy workers compensation system through the design and delivery of all actuarial and economic work at NCCI, including rate/loss cost filings, legislative analyses, compilation and analysis of insurance industry results, residual market reserving, actuarial products, analytics, and research.

Ms. Antonello earned her BS in mathematics from Birmingham-Southern College. She is a Fellow of the Casualty Actuarial Society, a Fellow of the Society of Actuaries, and a Member of the American Academy of Actuaries. In addition, she currently serves on the board of direction of the Casualty Actuarial Society.

Ms. Antonello is a member of the Orange Bowl Committee, which promotes championship sporting events, related premier entertainment, and other year-round activities to inspire youth, engage our community, and enhance the South Florida economy. She also serves on the executive committee of the Boca Raton Bowl.
