AS Workshop: Actuarial Functions

Friday, October 20, 2017
12:00pm-12:50pm
Alter Hall 031

The **Actuarial Functions Workshop** is an overhaul of the Pricing and Reserving workshop that has been offered in the past. In recognition of the evolution of the Actuarial field, ASCD has created a new workshop to discuss more actuarial roles than the traditional pricing and reserving roles. We will be discussing how actuaries are contributing to pricing, reserving, predictive modeling, finance, quantitative analysis, and more. Please join us to learn about some of the many possible paths that your degree can take you.

RMI Workshop: Professional Designations

Friday, October 20, 2017
12:00pm-12:50pm
Alter Hall 034

The **CPCU and CEBS designations** are two of the most popular and well-regarded designations in the insurance industry. This workshop will discuss the process for attaining these designations. Professor Luedtke and Professor Wilkins will share why it is important to work through exams while in college. In addition, we will also hear from individuals who have passed some of these exams. They will share their study experience and how passing these exams has boosted their resumes. This workshop will be helpful for ALL risk students interested in professional designations.

YVETTE BRIGHT

CHIEF OPERATING OFFICER

INDEPENDENCE BLUE CROSS

WEDNESDAY, OCTOBER 18, 2017, 12:00PM-12:50PM, ALTER HALL 031

Yvette D. Bright is Executive Vice President and Chief Operating Officer for Independence Blue Cross (Independence). In this role, she oversees Commercial & Consumer Business and Diversified Businesses, as well as Customer Service, Processing Services, Operations Shared Services, and Business Technology Services.

Ms. Bright joined Independence in 1991 and has held a variety of roles with increasing responsibility in the operational, provider, marketing, and eBusiness areas. In 2001, she was selected to lead the company's growing eBusiness initiatives. In 2005, she was appointed Senior Vice President for eBusiness and Operations and assumed oversight of all operational areas – including claims processing, member services, and enrollment – in addition to eBusiness. She was named Senior Vice President and Chief Administrative Officer in 2009 and became Executive Vice President and Chief Transformation Officer in 2012.

Prior to joining Independence, Ms. Bright held several positions in marketing, training, and consulting services in the United States and United Kingdom.

Ms. Bright graduated from Tulane University School of Engineering, completed post-graduate course work at the London Business School, and received her Master of Business Administration in Health Care Management from Saint Joseph's University in Philadelphia. She currently serves on the board of trustees of The Franklin Institute.
